

**REMARKS**

In an Amendment and Response dated January 13, 2005, the applicants responded to an outstanding Office Action and amended several claims of the pending application. In a Notice of Non-Compliant Amendment, dated April 4, 2005, the applicants were notified that the Amendment and Response was non-compliant as it listed the status of claims 19 and 20 as "previously amended" when the status should have been listed as "previously presented."

In response to the Notice of Non-Compliant Amendment, the applicants have recited the entire claim set as set out in the Amendment and Response dated January 13, 2005, except that the status of claims 19 and 20 has been changed to "previously presented." In view of the foregoing, the applicants respectfully request that the Notice of Non-Compliant Amendment be withdrawn upon reconsideration of the application. If the Examiner feels that a telephone conference would be helpful to resolve any remaining issues, the Examiner is respectfully requested to contact the undersigned attorney at (847) 576-3635.

Respectfully submitted,

Stephen L. Spear, et al.
